COMMUNITY

ROADWORKS

In mid-February 2023, Main Roads will commence widening the shoulders and reconstructing the Quairading Bruce Rock Road between Cemetery Road in Quairading and Yoting South Road. Road works will be ongoing until the end of May 2023 depending on the weather. The road will be widened to 9 meters with audible edge lines installed. The road between Cemetery Road in Quairading and Solomon Road will be reconstructed and will have a gravel surface and significant distances of speed restrictions for the safety of road users and road crews due to uncompleted works. During the roadworks you may experience delays and we ask that you allow extra time for your journey. We thank you for your patience at this time whilst we improve the road for your use. If you need to contact Main Roads we have a 24 hour call centre that can be contacted on 138 138. Information on road works can be found on our [Travelmap Main Roads Travel Map - Map](#).

SHIRE COMMUNITY GRANTS

Now open! Want to run an event? Need new uniforms or equipment? Our Community Grants Program offers several levels of funding and
